

A TRIP BESIDES THE GORILLAS: 5 DAY RWANDA INCENTIVE GROUP TRIP

Kigali City – Culture – Safari

RWANDA - OVERVIEW

Murakaza neza! Welcome to Rwanda, a magical landscape of a thousand hills and a million smiling faces. Etched into global consciousness by the brutality of the 1994 genocide, the social and economic repair that has occurred since is nothing short of miraculous, the country is stable and tourism once again a key contributor to the economy. Primate safaris may be the primary drawcard for the country, but its not all monkey business – go beyond the gorillas, step into an adventure playground waiting to be discovered by the active traveler and experience a country breathtaking in its beauty and graced by a people generous in their welcome.

Our Rwanda Experience itinerary encompasses some of the main iconic attractions Rwanda is famous for. From the contemporary city vibe of Kigali, the sparkling streets of the capital city which is the rapidly growing and becoming the biggest MICE and sports hub with signature Conference and sports venues with a track record as the fastest growing in Africa into the sweeping savannahs and lakes of Akagera National Park, the only Rwanda's Home of the Big 5 namely: Lions, Leopards, Buffalos, Elephants, Rhinos and more.
